October 13, 2020

Dear Parents/Guardians,

On Tuesday afternoon, October 13, 2020, Boyd County Public Schools was notified by the Boyd County Health Department that a staff member at Boyd County Middle School had tested positive for COVID 19.

The staff member, who tested positive, was in the building on Friday, October 9th. However, symptoms did not arise until Saturday, October 10, 2020 and the staff member has not been in the building since last Friday. The staff member is currently in isolation and will not return until released by a physician or the local health department. Contact tracing has taken place by the health department.

If you have any questions, you may call your child's school or the district office. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads "William L. Boblett Jr." with a stylized flourish at the end.

William L. Boblett Jr.
Superintendent
